Conduct Policy

We believe our staff, pastors, ministry leaders, members and volunteers need to demonstrate Christian character and high moral values. The Bible is our guide and it gives us instructions for holy living, such as found in Galatians 5:19-23; 1 Thessalonians 4:3-8, 1 Corinthians 6:9-11. The use of illegal drugs, life-controlling practices, viewing of pornographic materials, sexual activity outside of a heterosexual marriage, and homosexual and transgender behavior are incongruent with the Christian standards of character and morality we promote. Our mission is to be a healing and safe place for all people; we support those in recovery and in transformation. For this reason, we discourage the use of tobacco and alcohol.

Are you in agreement with Hopewell's teachings and moral stand on these issues? Y/N

Is your life free from these and other behavioral patterns which would not be honoring to God? Y/N
